RETRACTION NOTE

Retraction Note: Tetrathiomolybdate inhibits head and neck cancer metastasis by decreasing tumor cell motility, invasiveness and by promoting tumor cell anoikis

Retraction Note: *Mol Cancer* 9, 206 (2010) https://doi.org/10.1186/1476-4598-9-206

The Editor-in-Chief has retracted this article. After publication, concerns were raised regarding highly similar images between this article and the authors' earlier publication [1]. Specifically, Fig. 5A TM- image in this article appears to overlap with Fig. 6C UM-SCC-74 A+EC-Bcl-2 in [1], and Fig. 5A TM+image appears to overlap with Fig. 6C UM-SCC-74 A+EC-VC and UM-SCC-74 A+EC-Bcl-2+ α -IL-8 images in [1]. In addition, Fig. 1C EC-VC+TM and EC-Bcl-2+TM images appear to overlap.

The Editor-in-Chief therefore no longer has confidence in the presented data.

The authors have not responded to any correspondence from the editor or publisher about this retraction.
